Fog-Covered Roads Fail to Prevent Start of Red Cross Drive

Chairman Appeals for Aid in Making Canvass of Antioch Township

Despite the fog which cut down travel and attendance a nucleus of an organization was formed Monday night for the Antioch Township Red Cross membership drive.

The meeting at the Antioch Rescue Squad building brought County Chairman John Kottkamp, and Executive Secretary Grace Bryson through fog-bound roads to the meeting and they conferred with Township co-chairman George Borovicka and Walter Cording on plans for the drive which will last throughout March.

In attendance at the conference also were Herman Holbek, Mrs. Mildred Klier, Mrs. William Lucas, Mrs. W. B. Gillum, Mrs. George Calcott, Mrs. Dan Lightsey, Mrs. John Otfedahl, Mrs. Lawrence Thayer, Mrs. Eldon Gordon, Mrs. James Maplethorpe, and Mrs. E. E. Hood. "We need 50 additional workers for each street and subdivision in the township," said Borovicka, who said he hoped that people would volunteer.

The goal for Antioch township is \$2,000.

Extension of Depot St. Claims Attention of Antioch Village Board

Extension of Depot st. west of Main st. involved most of the discussion Tuesday evening at the village board.

James Herman appearing for his brother, Albert, who is confined to his home, asked the board for a definite plan for the extension of Depot st. so that he can lay out a new subdivision.

Because the property of Charles Ackerman is affected, he was told to discuss the matter with him first in effort to arrive at some agreement. Ackerman's property near Main st. must be crossed first.

In other business the board received an inquiry from John and Mary Topercer, owners of the Pantry as to a beer license and they will be told that a license can be granted for the annual fee of \$350. The license is one like that which the Antioch Recreation Lanes did not renew when it moved from the village.

The Salvation Army was granted permission to conduct a Doughnut Day solicitation on June 10.

Walter I. Scott, sewage plant superintendent, was granted permission and traveling expenses to Urbana to attend a Sewage Works Operators short course at the University of Illinois March 21 to 25.

W. H. Jollie, sanitary engineer for the Upper Illinois Sanitary basin is expected here today to inspect the village sewage disposal system.

Central High Host to Regional Tourney of WIAA Mar. 11-12

The Central High School at Padlock Lake, Salem, Wis., will host the Wisconsin Interscholastic Athletic Association sectional basketball tournament on March 11 and 12. The winner will compete at the state tournament in Madison on March 17-19. Seven other sectionals will also be held throughout the state.

The new high school and its facilities at Salem ranks among the best in the state. Besides a spacious lighted parking area, it provides reserved section to seat 2850 spectators.

Teams represented at the Salem meet will be the regional winners from Beloit, Milwaukee-Pulaski, and two winners of the play-offs resulting from the district tournament winners from Cuba City, Lake Mills, Monticello, and Wilmet. The first game starts at 7:30 and the doors will open at 6:30. The admission rates of the four team tournament is \$1.25 for student season, \$2.25 for adult season, and \$1.25 single admission. Tickets will be available at the competing schools and are now on sale at the Central High School.

Wilmet won her own sectional tournament Saturday in beating East Troy 45 to 35. She must play Lake Mills at Milton Junction in the sub-regional tonight to qualify for the Salem regional.

Dean Williams and Harold Nelson returned home Sunday after a three week vacation spent in Florida.

Antioch Beats Ela and Gains County Record Of 21 Wins, 2 Losses

Haviland and Floyd Rank 3-5 In Top Scorers for Lake County

Defeat of Ela-Vernon Bears by the Antioch Sequoits 70 to 51 last Friday night gave Antioch not only the Northwest Suburban Conference title but the Lake County record as well.

Throughout the entire season Antioch had but two losses and won 21 games, piling up a total of 1,597 points to their opponents' 1,140.

The nearest competitor was Barrington with a record of 20 victories and 3 defeats for a total of 1,595 points to their opponents' 1,272.

These figures show the teams about equal on offense but Antioch far superior on defense.

Antioch's average was 69.4 points per game, a very impressive record. Her only defeats were at the hands of Warren Township High school and Palatine after Christmas vacation on a weekend when the local boys were out of practice. Palatine's 57-55 victory there was later erased in Antioch, but the Sequoits had no second opportunity to play Warren.

In the curtain dropper game at Lake Zurich Antioch took a commanding lead in the first quarter, held the bears even for the second and third quarters and then burst forth again for a fast finish.

Mike Haviland, third ranking scorer in Lake county and Ben Floyd, in fifth place, tied for the high scoring honors with 20 points. Haviland scored 8 field goals to Floyd's five, but the rangy forward scored 10 points from the foul line to Haviland's 4.

George Severance, Ela-Vernon star who is second high man in the county's leading scorers, leading Haviland, not in field goals, but in foul goals, was held to 16 points while Bathrich for the Bears claimed.

Swimming Pool Project Retains High Interest Among Local Residents

Questionnaires sent out by a Lions Club committee, seeking to gain a measure of support which would be forthcoming for a swimming pool for the community, are still coming in, according to information from Dr. G. W. Jensen, co-chairman of the committee.

Dr. Jensen said that many residents of the community believe that because Antioch is favorably located among lakes, the need for a pool is lessened. This, he said, is not true, in fact the exact opposite is nearer the truth, as evidenced by statistics of swimming pools throughout the United States which show that the very localities which are located on lakes or oceans, are those most likely to have swimming pools.

Jensen said that a modern outdoor swimming pool, which would be lighted at night, would furnish a place of recreation for young and old alike, and would not conflict or detract from use of the lakes as a recreation area.

Some suggestions are still being received which recommend erection of an all-year indoor pool, part of which ask that an indoor pool be built in connection with the Antioch high school. While a pool at the high school would be a fine thing to have, he said, it would involve much extra taxation on an already heavily taxed district. The proposed plan for erection of an outdoor pool involves no extra taxation of any kind. Reasons for not considering construction of an indoor pool include the tremendous cost, both in construction and maintenance, and the fact that use of the pool during cold months would be very small, according to findings in localities where indoor pools exist.

Jensen added that from a strictly business viewpoint that the pool would add much value to the community as a place to live. Figures compiled on outdoor pools of the United States show that there were only 18,000 pools in 1952, and that 10,000 new ones were built during the 18 months preceding Jan. 1954.

It is urged that all residents of the community who have not as yet returned their questionnaires do so at once, since a final report on the survey is to be made on March 14, and it is hoped that a large percentage of residents will have made their recommendations by that time. Any persons living in the township and who have not received the mailing, may call Antioch 43 to receive it by mail.

1,000 High School Students Will Participate In District Music Contest in Antioch March 12

Strong Competition for Three Township Positions Offered

The Antioch Township election April 5 is expected to be the liveliest in years as the result of the large number of contestants.

Clerk Llewellyn Van Patten, Jr., said the ballot will contain the following list of candidates:

For township supervisor—Lloyd Murrie, Anthony J. Scully, William A. Rosing, incumbent, Joseph Farin, Jack Wolff, and John O. Olsen.

For road commissioner—Richard Waters, Henry R. Palm, James E. Runyard, and Gile Edwards. Robert Webb, incumbent, withdrew his candidacy.

For 2-year unexpired term of justice of the peace—Jack Stieber, and Richard B. Seyfarth. Library trustee, Unopposed—Myrtle G. Bell, and Richard Whitacre for 6-year-term, and O. Robert Krefke for 4-year term.

Tuesday was the last day for filing and Saturday will be the last day for withdrawal.

No Contest in Village

Unless there should be a write-in vote, there will be no contest for the positions on the Antioch village board. Edmund Vos, Murrill Cunningham and George Garland, whose four-year terms expire, are seeking re-election, and E. H. Glenn, who was appointed to fill out the term of Edgar Simonsen, is seeking the post again.

Miller Cottage Damaged At Lake Catherine Sub.

There was no doubt as to the cause of a fire on the porch of the summer cottage of Jesse B. Miller on Grandview Ter., Grandview Subdivision, Lake Catherine yesterday morning.

When the Antioch fire department arrived the ceiling which was smoldering like punk gave clear evidence that it had caught from a lighting fixture.

"The composition ceiling must have been afire for hours," commented Secretary Clarence Shultis, who said that it had deposited a fine ash on the floor about one-third the length of the glass enclosed porch.

Neighbors saw smoke from the house about 11:15 a. m. and called the firemen. The loss is estimated at less than \$100.

Chain O' Lakes Golf Course Purchased by Diamond Charcoal Broiled Steak House, Inc. for \$103,000

The Chain O' Lakes Golf Course, at Rte. 59 and Grass Lake rd. three miles southwest of Antioch has been purchased for \$103,000 by George Diamond Charcoal Broiled Steak House, Inc.

Diamond, who operates restaurants on South Wabash ave. in Chicago and in the Republican Club building in Milwaukee revealed that he will build a \$100,000 steak house on the course. It is scheduled to open about July 15.

"The course, to open May 1, will be thoroughly re-conditioned wherever needed," said Diamond. "A few holes will be lengthened and

An estimated 1,000 high school students from northeastern Illinois will come to Antioch Saturday, March 12 to take part in District 1 elimination of the Illinois High School Music Contest. The crowd will nearly double Antioch's population for the day.

Thirteen contest centers and 18 home rooms and warm-up rooms will be needed for the almost 500 different entries. The grade school may be used as well as the high school for the overflow.

Restaurant proprietors have been alerted to the fact that they will have to feed the large number of visitors.

Principal Albert Dittman will serve as contest manager and Louis Chenette, high school music director, will serve as chairman. The public may attend the events and tickets will be available.

Twenty-three solo and ensemble numbers will be provided by Antioch talent. They include:

Lynn Bolton and John Kelly, clarinet; Roy Hattman, alto saxophone; Frank Albert, baritone saxophone; Jay Cribb and Barbara Doolittle, cornet; Lenore McCord, horn solo; Elmer Oelkers and Ed Jensen, trombone; Bob Cain and Dwight Stone, baritone; Lenore McCord, piano; Mary Tully, mezzo-soprano; Shirley Cooney, contralto; Ron January and Eugene Carlquist, bass. Clarinet quartet—Lynn Bolton, John Kelly, Cecelia Hojem, and Shirley Oilschlager; saxophone quartet—Arlene Cribb, Roy Hattman, Frank Ferdon, and Frank Albert; trumpet trio—David Cain, Jay Cribb, and Barbara Doolittle; boys quartet—Don Wertz, Jerry Burnett, Ted Portalski, and Don Cardiff; girls sextet—Jill Camphausen, Cynthia Baugess, Priscilla Baugess, Mary Tully, Shirley Cooney, and Mary Schwicht.

Panel Discussion on Swimming Pool Project Before B. & P. W. Club

On Monday, March 7, the Antioch Business and Professional Women's club will have an open meeting with a panel discussion on the Lion's Club Swimming Pool proposal as their program. The discussion panel will consist of the following: Ted Larson and Howard Gaston representing the Lion's Club, George Borovicka of the Antioch Chamber of Commerce, Mrs. Louis Biel, president of the Antioch Woman's club, Mrs. Wanda Barthel, teacher, and secretary of the Antioch Business and Professional Women's club, and Mrs. Ruth Seyfarth, advisor of the Wigwag, Antioch's Youth Center. The meeting will be at 8 p. m. at the Scout House.

New Call Numbers for Lake Villa and 3 Other Villages

Dial Number Will Be EL-6 Instead of LA-6 From Out of Town

Antioch telephone users with friends and business acquaintances in Fox Lake, Grayslake, Lake Villa and Round Lake were reminded today that all telephone numbers in the four Lake towns will be modified next Wednesday at 2 p. m.

At that time, new telephone names will be introduced in each community. JU slice 7 will replace FO x Lake 7; EL liot 6 will be substituted for LA ke Villa 6; BA ldwin 3 will replace GR ayslake 3, and KI mball 6 will be substituted for RO nd Lake 6.

No other changes will be made, J. M. Littler, manager for the Illinois Bell Telephone Company, said this week. Telephone users will continue to reach telephones in the four towns by giving their number to the operator. However, after 2 p. m. next Wednesday, the new telephone name should be given to the operator instead of the present one.

Telephone directories containing the new telephone numbers, as well as Antioch's, will be delivered to all subscribers within the next few days. Littler urges that before calling, users verify the number against the new listings in the directory.

Modification of all numbers in these communities is required because of recent equipment additions which have been made in each town. Introduction of the new exchange names also paves the way for faster long distance service to telephones in the four towns from various long distance centers throughout Illinois.

Telephone users in Lake Villa, Fox Lake, Grayslake, and Round Lake will continue dialing only five figures when making a local call. The method of making certain out-of-town calls will be slightly modified as described in folders now being sent users in the four towns.

Charles E. Britton, 51 Dies Of Heart Attack At Lk. Villa Residence

Charles E. Britton, 51, died unexpectedly of a heart attack at 1:30 a. m. Wednesday at his home at Park and Burnette aves. in Lake Villa.

Mr. Britton, head mechanic for the Lake County Highway department, was born May 14, 1905 at Pikeville, Wisconsin and moved to Lake Villa 25 years ago. He was a member of the Lake Villa fire department and held membership in the Fidelity lodge. He married Doris Barnstable Feb. 27, 1932 at Antioch.

She survives, as does a sister, Mrs. Brosia Giefer, Racine, Wis., and three brothers, Harold, Wendell, and Everett, all of Waukegan.

The funeral service will be held at 1:30 p. m. Saturday at the Strang Funeral home with the Rev. Kenneth Plummer of the Lake Villa Methodist church in charge. Burial will be in the Fox Lake cemetery. Friends may call after 1 p. m. Friday.

Candidates for Twp. Offices Invited to Club Meeting Mar. 9

Letters of invitation to all candidates for township offices both in Lake Villa and Antioch are being mailed today by the Antioch-Lake Villa Township Republican Club, inviting the aspirants to attend a meeting of the club to be held at the Lake Villa village hall Wednesday, March 9.

Members of the program committee of the club have arranged that each candidate will have an opportunity to make a short talk, if desired. Other business to be taken up at the meeting will include a report by the nominating committee, and reports of the committee on zoning and other matters.

A lunch is to be served and it is expected that a large number of members and guests will attend.

Mr. and Mrs. Walter Dibble, 1025 South Main st., will hold open house on Sunday, March 6 from 2 p. m. in celebration of their golden wedding anniversary.

Antioch Found McHenry Easy Opposition and Unnecessary to Apply Pressing Attack

Haviland, Brownlee High Point Men for Sequoits, Joosten for McHenry

An estimated 700 jubilant rooters from Antioch saw their high school basketball team swamp the McHenry High school team 67 to 42 in the first round of play at the regional tournament in Elgin last evening.

They saw the Sequoits battle the McHenry Warriors to a 17-17 tie in the first quarter and then clamp down a strong defense for a 30 to 24 advantage at the half.

Antioch turned on the steam in the third quarter and ran the score up to 53 to 32 after which they coasted to the 67-42 finish.

McHenry used a zone defense which didn't seem to bother the Sequoits a great deal, and they never had to use their press attack, saving it and their strength for future games.

As usual, Mike Haviland led in the scoring with nine field goals and two fouls for a total of 20 points. Brownlee and Floyd while contributing substantially in the scoring, also were strong on defense. Palmer played a good floor game and Clarke did a good job of rebounding.

The Sequoits will meet St. Edwards, winner of last night's game with Dundee in the second game of tonight's round of play at 8:30 p. m.

Evidence of the intense interest in the Sequoit chances in the tournament is the fact that more than 500 of the 700 tickets available for tonight's game had already been sold at 10 a. m. this morning. Tickets are available at the High School office.

High School's Band Prepares for Spring Concert on March 18

The Antioch Township High School band will present its annual spring concert March 18 in the high school auditorium. The concert, featuring selections which the band will play in the District Music contest, will begin at 8 p. m.

Louis Chenette, head of the music department, states that the soloist will be the local music student who receives the highest rating at the Music contest. The best of the ensembles will also perform.

Highlighting the varied program will be Glenn Oser's difficult and impressive "Beguine for Band." "The Caliph of Bagdad Overture by Boieldieu, and The Triumphal March from Quo Vadis by Niklos Rosza. The band will also play La Mascara, a piece with a Latin American flavor, and China Doll by Leroy Anderson.

The band is now hard at work in preparation for the contest on April 2. The Caliph of Bagdad Overture and a march, Symbol of Honor, are the contest pieces.

Officers of the band working on this concert are: David Cain, president; Lenore McCord, secretary; Bob Cain and Paul Matson, librarians, and Jay Cribb and Elmer Oelkers, custodians.

Chamber of Commerce To Discuss Parking

The Antioch Chamber of Commerce will meet at noon Monday at Smart's Country House in discussing two important matters.

One will be the attempt to have more merchants participate in the special sales for the Tuesday shopping bus patrons, and second will be the consideration of the problem of off-street parking.

Government Inherits Millions

Newspapers recently ran a picture entitled "Heiress Counts Up Millions."

It showed a lucky girl standing beside a safety deposit box. Along side of her, taking out the securities, were a tax examiner and the state treasurer.

The headline should have read "State and Federal Governments Inherit Millions,"—because they will get the lion's share of the money and the girl won't get a thin dime until after their claims are satisfied.

The advocates of government ownership of business who curse capitalism and private profits never mention that government today through taxation skims the cream off any profits or savings above the lower brackets.

Tax exempt government business enterprises could not operate as they do without the taxes taken from the profits of private enterprise.

It's time to get the shoe on the right foot.

Short End of the Stick

The extent to which canned hams and other pork products from European countries, including communist Poland, are entering the American market will come as a surprise to most of us. Last year an increase of 28 per cent was registered over 1953, for a record total of 99,163,000 pounds. Of this, communist Poland accounted for almost 20,000,000 pounds. Germany, Denmark and Holland were other heavy shippers.

Without going into a discussion of foreign trade theory, it is evident that in this case the United States is getting the short end of the stick. Communist Poland, for example, is not a market for American pork, or for lard, hides, tallow, etc. And the dollars Poland thus obtains may even be used for the purchase, in dollar-hungry third countries, of strategic materials which are not permitted to be exported from the United States to the Communist nations.

Even in countries which do buy some meats and allied products from us, the trade is severely restricted in many ways—by licensing and quota systems, exchange controls, prohibitively high duties, and so on.

The moral is plain. These heavy imports should persuade foreign countries that reciprocally fair treatment should be given to American products we want to export to them. We should have the same freedom of entry in foreign markets as foreign producers have in ours. Foreign trade, to be sound and equitable, must be a two-way street.

Civilization Depends on Energy

"Energy is the foundation of our physical lives," said Dr. George Granger Brown, dean of the

College of Engineering at the University of Michigan, in a recent address, "Energy in the form of fuel is required to provide comfort in winter, to produce our materials, to provide transportation, light, and communication and make possible the tremendous productivity of the individual American worker. Our civilization now literally depends on low cost, copious, and continuous supplies of energy."

Today our use of energy stands at the enormous figure of 70,000,000 British thermal units per capita, which is equivalent to the heat in two and one-half tons of coal per year for every person. And our future needs in this field will dwarf those of the present.

This means that we must make maximum use of every form of energy—from the oldest to the newest. We must, for example, have a coal industry capable of efficiently and economically meeting the expanding requirements of the power, steel, chemical and other basic industries. And that means that our energy industries, coal and all the others, must be encouraged to operate as progressive, vital and profitable enterprises.

Wages and Productivity

Hiking the legal minimum wage and bringing enterprises, such as retailing, which are now exempt, under its provisions, could prove a sure way to deny opportunity and employment to unskilled marginal workers.

The reason is that when wages are out of line with worker productivity and usefulness employers will do everything possible to cut the employment rolls. Then people search for jobs in vain—and they don't get the chance to gain the experience and skills which will qualify them for better positions.

The Low Down From Hickory Grove

Amongst the States that I have never set foot in, is South Carolina. And her neighbor, North Carolina, I crave to see it, too. I would like to listen-in, in person, to what the governor of South Carolina says on some nice, cool day to his neighbor. If gold coin was not taboo and my Susie had an empty pickle jar, I think I'd make a start on saving up for a trip to the old palmetto state and her sister.

I been reading where South Carolina, which was the 16th state to pass a Right-to-work law a year ago, has snowed under via its House of Representatives, a newer bill to make illegal this Right-to-work law. The people voted in the new law a year ago—the State House now confirms it—so I would say that Gov. Byrnes there should feel pretty good—he sponsored it in the first place. You will go a long days to find people whose feet are closer to terra firma than those folks in old palmetto-land. Look-it Strom Thurmond, the new South Carolina senator, a gentleman of distinction, vertebrae, valor. Look-it when old Dan Tucker came to town and swung the ladies round and round—we are going to hear more of Strom Thurmond—it will be good.

And in closing this epistle, I would say that if Mr. Greeley was living he might now venture to remark, "Go South, young man." And if I was 22 and full of vinegar and vim, I'd head that way my ownself.

Yours with the low down,
JO SERRA

ARTHRITIS?

I have been wonderfully blessed in being
restored to active life after being crippled
in nearly every joint in my body and with
muscular spasms from head to foot. I
had Rheumatoid Arthritis and other forms

SOCIETY EVENTS

Speaker Scheduled for Woman's Club Meeting at Guest Day Monday

Monday's meeting of the Antioch Woman's Club will be Guest Day.

The program has been changed from its listing in the year book, and Jirah D. Cole of the Encyclopedia Britannica will be the speaker.

Mr. Cole, a representative of the publishing concern, will speak on some of the experiences and problems of compiling and editing the material for the world famous book.

Said to be the oldest and most widely read encyclopedia in the English language, there are more than 4,697 contributors, including famous men and women from 62 different countries who are considered authorities in their field of endeavor.

CUB SCOUTS HOLD BANQUET LAST FRIDAY

Antioch Cub Scout Pack 92 conducted its annual Blue and Gold banquet on Friday, Feb. 25, at Wesley hall, Methodist church. A very large turnout of approximately 225 was attributed to excellent planning and cooperation on the part of the Den Mothers. The banquet was potluck style and parents and children alike enjoyed a wide variety of delectable dishes.

The affair was marked by presentation of the annual charter by Ken Taylor of Highland Park headquarters, to Lester Nelson, governor of the sponsoring institution, Moose Lodge No. 525. Mr. Taylor also made presentation of membership certificates and lapel pins to committee members.

Patriotic skits were presented by dens each featuring some phase of the monthly program theme "Let Freedom Ring." A congratulatory telegram was received from Boy Scout Troop 81, and a beautifully decorated birthday cake, a gift from the Merry-Go-Round Bakery, was enjoyed by all. Among the many guests present were Mr. and Mrs. Ralph Tutein of Grass Lake Cub Pack 80.

LAKE VILLA WOMAN'S CLUB TO HAVE STYLE SHOW

The Lake Villa Woman's Club planned a "Spring Vogue" style show at a meeting Feb. 22 at the home of Ellen Peterson.

The show will be staged by Mari Anne's at 8 p. m. Wednesday, Mar. 16 in the Lake Villa Grade School gymnasium.

The committee in charge reported that it is striving to make this a most enjoyable affair. There will be skits by Carol Elfinger, Johnny Fath, Shirley Nader, and Emma Williamson, coached by Pam Pavel and Betty Reidel.

Helen Fath and Emma Williamson will be at the bake sale booth. There will be prizes.

After the business meeting the three guests, Mrs. E. A. Ramsey of Park Ridge, Marlene Cola and Dorothy Buck and the 23 members enjoyed slides of Canada and Florida shown by Carol Hartlein of Bristol, Wis. Refreshments were served by the co-hostesses Ruth Bocox and Dorothy Barnstable.

MRS. CALLAHAN SPEAKER FOR ALTAR-ROSARY SOCIETY

St. Peter's Altar and Rosary Society, Antioch, will hold its monthly meeting, Monday evening, March 7, at 8 p. m. in the school hall.

Mrs. Richard Hedberg, chairman of Library and Literature will have Mrs. Callahan of St. Anastasia's Library and Literature group of Waukegan as the guest speaker. Mrs. Edward Martin and Mrs. Henry Bailitz will assist Mrs. Hedberg.

COMPLETES COLOR STYLIST COURSE IN INTERIOR DESIGN

Mrs. Betty Meyer, wife of Art Meyer, owners of Art's Paint Store, has just completed a Color Stylist course in interior design, and will be available for any decorating advice on Friday and Saturday at their store in the Post Office building or by appointment in your home.

LATIN CLUB TO SPONSOR MOVIE

"Beau Brummel," a technicolor drama starring Stewart Granger and Elizabeth Taylor is to be presented on March 9, 10, and 11 at the Antioch Theatre by the Latin club of the Antioch Township High School. Tickets may be obtained from members of the club, or the club sponsor, Miss Theresa Wehr.

The Methodist Men's club will meet at 7 p. m. Monday at the church. Captain Motts, chief legal officer of the Seventh Naval District will be guest speaker. Capt. Motts, who was with Roosevelt at Yalta and Potsdam will tell of his experiences there. His main topic is to be on "Communism." The members of the Wesley Circle will serve dinner.

John R. Copeland and family of Streator spent several days recently with Mr. and Mrs. Roy Slaughter of Cox's Corners.

Al Reckers returned home Sunday from Victory Memorial hospital, Waukegan, where he underwent an appendectomy Tuesday.

Mrs. N. C. Jensen Was 93 Years Old Friday

Mrs. N. C. Jensen, 324 Park ave., received many calls Friday afternoon and evening from friends who stopped in and congratulated her on her ninety-third birthday anniversary. On Saturday her daughter, Mrs. Marie Beck, granddaughter, Miss Bernice Jensen, Mrs. Robert Sundin, and Mr. Sundin, and great-granddaughters, Christine and Joanne Sundin of Chicago, spent the day with her. And her daughter, Miss Ella Jensen, lives with her.

Mrs. Jensen was made very happy with all of the flowers, candy, gifts, and cards, and a decorated birthday cake.

She has been a resident of this village for 33 years.

The second of the Lenten luncheons will be held Thursday, March 10, at St. Ignatius' parish hall beginning at 11:30. Mrs. Frank Kennedy, Jr., and Mrs. John Horan, Jr., are co-chairmen.

Mrs. Ida Osmond, of Orchard st., was pleasantly surprised Friday afternoon when many friends and neighbors called at her home to wish her happiness on her 89th birthday.

The Kettle Moraine Woman's club will meet at the Wilmet High school at 8 p. m. next Monday. Mrs. E. J. Hays of Antioch will give a demonstration on china painting.

Selden Marth, Glenview Next Lenten Speaker at Local Methodist Church

The Tuesday evening "Lenten emphasis" at the Methodist church of Antioch began this week with Olin Stockwell sharing his experiences of "With God in Red China." He told how his 22 months' imprisonment by the Chinese Communists became for him the most creative months of his life. He wrote poetry, a book, and found a new and deeper understanding of the meaning of life. This was due to three things, he said, "My New Testament, the Grace of God, and a sense of humor."

The Lenten series will continue next Tuesday, March 8, at 7:30 p. m. when the Rev. Selden Marth of the First Methodist Church of Glenview, Ill., will share with those present, "What the Bible Means to Me."

The purpose of this address and discussion period is to help those present come to a deeper understanding of how the Bible can help a person to live day by day in 1955. Mr. Marth did his seminary work at The Divinity School, Yale University, and since coming to Glenview a new church sanctuary has been built under his leadership. All interested persons are invited to attend.

RAINBOW GIRLS RECEIVE FOR PHYLLIS PETERSEN

The Order of the Rainbow for Girls gave a reception Monday evening for Phyllis Petersen, Grand Nature of that order. The Mardi Gras theme was used.

The Majority Service was given to three sisters, Mrs. June Petersen Crichton, Virginia and Doris Petersen. Mrs. Martha Hunter made the presentation. The Majority Service calls for a certificate of life membership after the members have reached a certain age. The Petersens waited to receive their award until all were eligible.

DISPLAYS VARIOUS U. S. FLAGS BEFORE AUXILIARY

Mrs. Bess Dunn of Waukegan displayed duplicates of flags that have some time or another floated over United States territory at a meeting of the American Legion Auxiliary Friday evening.

Some of them were from other countries that had claims here. One flag contained 15 stars and 15 stripes and another a pine tree. The flags were reproduced by members of the D. A. R. in Waukegan.

Husbands of the Auxiliary members were guests at a potluck supper prior to the meeting.

Paul Erickson's Father Dies

Carl A. Erickson, father of Paul Erickson of Antioch died Saturday at his home 1210 Sherman ave., in Evanston. The funeral service was held at 2 p. m. yesterday at the chapel 1567 Maple ave., in Evanston and entombment was in Memorial Park cemetery.

Surviving are the widow, Josephine H. Erickson, the son, Paul, another son, Henry C.; a daughter, Mrs. Fern P. Petersen and a sister, Mrs. Horace Corp.

A.T.H.S. Vocal Concert Reported Well Received

The concert performed by the Antioch Township High School vocal music students under the direction of Louis Chenette was greatly enjoyed by those who attended.

In spite of poor weather and conflicting events a good crowd attended this mid-winter concert. Especially enjoyed was the resume of the Rodgers and Hammerstein musical "The King and I." Don Chiappetta, English instructor, had arranged dramatic excerpts which tied together the singing and choreography.

This concert was the first of a busy spring-time of music activity at A.T.H.S. Following are some other items on the music calendar:

March 12 (Saturday): District solos and ensembles contest.

March 18 (Friday): Winter concert of the A.T.H.S. Concert Band.

Apr. 2 (Saturday): District bands, choruses and orchestras contest.

Apr. 26 (Monday): Northwest conference music festival.

Antioch High school is proud to be able to offer this wealth of music enjoyment opportunities. You are urged to mark these dates on your calendar.

Kapell Makes Phi Eta Sigma
Urbana-Champaign, Ill.—For high scholarship as a freshman in the University of Illinois Henry K. Kapell, R. F. D. 3, has been named for membership in Phi Eta Sigma, national scholastic honorary society. A freshman scholastic average of 4.5 or better, based on 5 equaling "A" is necessary for membership.

Phi Eta Sigma was founded at Illinois in 1923 by the late Thomas Arkle Clark, world's first dean of men. The corresponding organization to honor high scholarships of freshmen women, Alpha Lambda Delta, was founded at Illinois the following year and now also is nationwide in scope with 50 chapters.

Former Antioch Man Recruiting for Navy At Waukegan Office

Leslie Long, well known to Antioch residents, has arrived in Waukegan to operate the navy recruiting office in the federal building on a fulltime basis.

Long, chief quartermaster, USN, is a veteran of 15 years service in the navy. Most of this time was spent in the submarine service on the west coast. During World War II he served on the submarines USS Cabrilla, and Seadragon, making three patrols in each vessel.

The navy recruiting office has been on a part time basis, but since Long arrived the substitution will be open from 8:30 a. m. to 5 p. m. Monday through Friday to noon on Saturday.

The navy recently opened a new training program under which high school graduates can be enlisted with the assurance that they will attend one of the navy's vocational schools, provided that they can meet certain mental and physical requirements.

Long and his wife and three children reside at Cedar Lake Park. Mr. Long is a member of the Sequoit Masonic lodge.

Antioch Frosh-Sophs Lose
The frosh-soph team with the conference championship cinched, lost to Elia Vernon undeclassmen there Friday night 39 to 52. The score at the quarter was 9 to 11; at the half, 17-23; at the three-quarter mark 27 to 41. The Antioch team was weakened by the loss of Humi to the varsity. Ed Hastie was high point man for the evening with 16 points. Lynn Bolton got 11. For Elia Wesner and Jesse both got 14.

A Navy submarine, the USS Pickrel, holds a record for the longest underwater cruise by steaming 5,194 nautical miles from Hong Kong to Pearl Harbor without surfacing.

WILLIE, NOT WILLIAM

If you were to address the Antioch street superintendent as William Thiemann you would be wrong.

His name is Willie Thiemann. This became known Tuesday evening at the meeting of the village board of trustees when Clerk Clarence Shultis was instructed to notify federal pension officials to change the name in past deposits made by the village and to make new deposits under the name of "Willie."

Discovery was made that Thiemann's army and other official records carry the name of Willie instead of William, and it was feared that when he retires, he might not get his pension money because of the technical error.

REBEKAHS HAVE SUPPER SCHOOL OF INSTRUCTION

The Antioch Rebekah lodge held a school of instruction yesterday and potluck supper at their hall. The session began in the afternoon with Mrs. Mildred Lubduska of Chicago, a grand lodge official in charge. Mrs. Hortense Gordon presided for the local organization known as Lakeside lodge.

The Rev. and Mrs. Howard Benson will entertain the teachers of the Antioch Methodist church school this evening at their home.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that a Tentative Budget and Appropriation Ordinance for the Town of Antioch, in the County of Lake, State of Illinois, for the fiscal year beginning February 1, 1955, and ending January 31, 1956, will be on file and conveniently available to public inspection at the Town Clerk's Office from and after 1 o'clock P. HOT NEWS

ABOUT THE HOT CAR

Buick production hits new highs

to handle the orders pouring in!

GOOD thing the Buick factories stepped up production of the 1955 cars when they did—because customer orders are pouring in.

Seems just about everybody wants a 1955 Buick—the "hot" car this year that's getting hotter by the hour.

So hot, in fact, that it's topping the huge popularity which moved Buick into the "Big Three" of the nation's best sellers last year.

Know why? Plenty reasons.

Bold new styling, of course. And brilliant new V8 power. And room and comfort and luxury interiors—and an even finer, softer, steadier ride.

But the big reason is a new magic from the field of aviation—Variable Pitch Dynaflo.*

Twenty propeller-like blades inside

this wondrous automatic drive do what the modern airplane propeller does—they switch their pitch.

One way, you get more miles per gallon in normal driving and cruising.

You switch the pitch to another angle just by pressing down on the gas pedal—and you get a new kind of instantaneous response for getaway or for safety-surge accelerating power.

It's an experience you've never had before in an earth-bound vehicle—and it's thrilling beyond words.

So you can see why we're selling Buicks at a record rate.

And you can see more of the reason why when you look into the low pricing schedule that makes Buick

the buy of the year, hands down.

Buick Sales Are Soaring!

Proof? Buick is outselling all other cars in America except two of the best-known ones in the smaller-car field. And for two good reasons: (1) popular prices low enough for any new-car buyer to reach; and (2) a line of cars to fit any budget, from the low-priced SPECIAL, to the high-powered CENTURY, to the extra-spacious SUPER, to the custom-built ROADMASTER.

Come in and check things for yourself. Once you do—and press that gas pedal—we believe you won't be happy till you're bossing your very own Buick.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

What's the most useful book
in your house?

Maybe it's that brand-new Telephone Directory you got the other day with its handy Classified YELLOW PAGES! Hundreds of times in the months to come, it will give you the telephone numbers and addresses of people you want to get in touch with.

Don't forget to make full use of the Classified section of your new Directory. There's a gold mine of information in those YELLOW PAGES. They provide an easy-to-use, handy guide to all the products and services you need, telling you who-sells-it-and-where, and how to reach them by telephone.

So use the YELLOW PAGES whenever you need to find a dealer, a product or a service. They will save you time and trouble. And since most of the best businessmen in town advertise in the YELLOW PAGES, you'll find that using them will save you money, too!

Do you know ALL
the ways you can
use the YELLOW PAGES?

1. To find local dealers for nationally known services and products.
2. To locate manufacturers or wholesalers when you want to buy in large quantities.
3. To find almost any product or service, including those that are unusual or hard to find.
4. To get the address and telephone number when you know the company's name—or the name when you know only the address.
5. To locate business or professional men with common surnames, like Smith or Brown. You'll find them faster in the YELLOW PAGES, where lists are narrowed down.
